Reward Tracks

General

The event tracks of the different candidates provide the same rewards except for the final one, which is the chosen candidate's campaign bus (based on a Victorieux Luxury Yacht) .

Event tracks can be progressed by completing steps for various challenges. Most challenges consist of 5 steps, with increasing **Political Favor** rewards, 50 event points per step, and one **Presidential Candidate Favor** once step 5 is completed. (The trading challenge doesn't award Political Favor, only a **Presidential Candidate Favor** at step 5)

Completing the Luminaire Campaign Trail does award a **Presidential Candidate Favor** too.
One can only get a **Presidential Candidate Favor** when completing the last step of a specific challenge for the first time on a character, which limits the amount of **Presidential Candidate Favor** per character to 8.

The item trader for each candidate can be found in **Dodixie**.
There you should find the following beacons in your overview:

- Moreau's Capsuleer Outreach Center
- Tenzin's Capsuleer Outreach Center
- Roden's Capsuleer Outreach Center
