## Unlocking Omega rewards on Alpha accounts at the end of the event

For any claimed Alpha reward, the corresponding Omega reward becomes instantly available if the account is upgraded to Omega state. So, Alpha accounts should claim the rewards daily and consider upgrading their account to Omega towards the end of the event with a [weekend-fleetpack](#) (3 days of Omega & 50 PLEX, usually available for 3.75\$) for example, and claim all Omega rewards as well.

Using code **erst** would be highly appreciated :)
