Foster-Fleet

As a part of enabling more content for everybody, you can now adopt a fleet through Patreon!

> Among other benefits, every Patreon adopting the fleet adds 1 fleet-point (FP) per month to the pool.
> Once a week, if the pool features at least 10 FPs, an additional fleet is run by Erst and 10 FPs are removed from the pool.
> The fleet is open to everybody, the foster parents have a say in terms of fleet-type :)

> Current foster parents:
> - **Seth**
> - **Lord Brat**
> - **EmotionalReserve**
> - **Shogun**
> - **Nestinei**
